# WWR Logo, Branding and Partnership Guidelines

## Logo, Branding and Partnership Guidelines

### 1. GENERAL GUIDELINES

- a) All branding, logos and partnerships must comply with the following restrictions:
  - i) abide by decency and morality i.e. illegal drugs, pornography, inappropriate businesses and / or websites;
  - ii) no cigarette / tobacco manufacturers;
  - iii) no sponsors conflicting with WWR global sponsors as advised to WWR member federations.
- b) If unsure of restrictions shown in **clause 1(a)**, please contact the WWR prior to entering into any commercial or other commitment.
- c) Breaches of these guidelines will require immediate removal of non-complying brands / logos / signage at the team or WWR member federation/s expense.
- d) Failure to rectify a breach may result in suspension or non-admittance of a team in a competition.

### 2. SIGNAGE

#### 2.1 *Perimeter Signs*

- a) Placement (representative illustration)

# WWR Logo, Branding and Partnership Guidelines

- b) Construction material
- All signage (**clause 2.1(a)** numbered 1 – 20) must be collapsible (e.g. corflute) or soft (e.g. foam bolsters) in case of impact by a wheelchair for the safety of the athletes.
  - All signage around the field of play (**clause 2.1(a)** numbered 1 – 20) must not be fixed and able to move in case of player impact.

c) Size

- i) Signage must be:

Colour: White background or other consistent colour (where possible)

Length: 240cm

Height: 40cm

Base: 35cm

Logos / branding: May be shown on both sides

- ii) Where the signage size in **clause 2.1(c)(i)** cannot be used and different sized signage is required, where possible it should be a consistent size and ratio.

## 2.2 Decals on the Field of Play

Decals (**clause 2.1(a)** letters A – C) must be:

- firmly fixed (e.g. stickers / decals)
- not impact on wheelchairs (e.g. slippery or sticky)
- not cover any lines – or show the lines as part of the decal

## 2.3 Other Signage

- Signage may be displayed on the front of the score bench and penalty table (**clause 2.1(a)** letter D).
- Subject to the relevant event type shown in **clauses 5 – 10**, sponsor logos or other branding may be shown in and around the venue, where possible be of similar size and layout.

# WWR Logo, Branding and Partnership Guidelines

## a) Sponsor Logo/s

Sponsor logo/s may be shown in the areas shown on the front and back of the playing top. More than one logo may be shown in the space provided. The maximum combined size available for all logos is in the area of 6cm x 35cm as shown in **clause 3.1 (Figure 1)**.

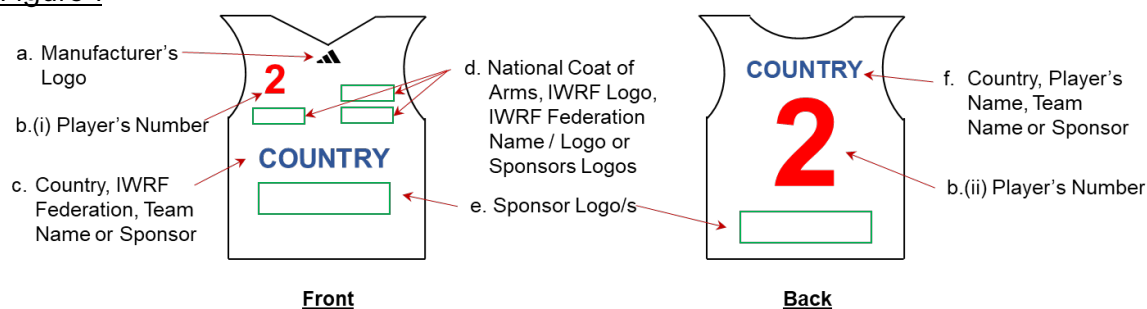

## 3. LOGOS

### 3.1 Playing Top

It is acknowledged and understood that there is significant expense in outfitting teams including the cost of playing tops. Where unreasonable additional cost is required and teams are using existing uniforms manufactured prior to the adoption of these guidelines, they are not required to comply with this **clause 3**.

However, all teams ordering new playing tops following the adoption of this document by the WWR will be required to adhere to the regulations shown herein.

Figure 1

## b) Manufacturer's Logo

Where possible, the logo of the manufacturer of the playing top must be shown in the centre immediately under the neckline as shown in **clause 3.1 (Figure 1)**. The total area of the logo is to be no larger than 15cm<sup>2</sup>. If, on a commercially available playing top used by the team, the placement and / or size of the manufacturer's logo is different to the requirement of this **clause 3.1(a)**, and such placement and / or size affects the required placement of other logos etc shown in **clause 3.1 (Figure 1)**, please provide a picture of the playing top to the WWR and required alternative logo placement request for approval.

## c) Player's Number

i) Front – a player's number must be shown in a contrasting colour immediately below the shoulder area on the top right side of the playing top. The height of the number is to be no less than 6cm and no more than 10cm.

# WWR Logo, Branding and Partnership Guidelines

- ii) Back – a player’s number must be shown in a contrasting colour on the back of the playing top. Where possible, the number must be clearly visible above the back of the competition wheelchair. The height of the number is to be no less than 15cm and no more than 20cm.
  
- d) Country, WWR Federation, Team Name, Sponsor  
When playing in an international tournament (including the Wheelchair Rugby World Challenge, International Wheelchair Rugby Cup, and World Championship), the name of the player’s country of representation must be shown in a contrasting colour and in letters no higher than 7cm. The name of the country shall be centred and shown in the approximate middle of the playing top. In a non-international match, the player’s WWR Federation name, team name or the name of a sponsor may be shown.
  
- e) National Coat-of-Arms, WWR Logo, WWR Federation Name / Logo or Sponsors Logos  
As shown in **clause 3.1 (Figure 1)**, up to a maximum of three (3) logos may be shown in the chest area. This includes the National Cost-of-Arms (or national flag where there is no coat-of-arms), the WWR logo, WWR Federation name (and / or logo) and sponsors logos. Individual logos are not to be larger that 50cm<sup>2</sup> and
  
- f) Country, Player’s Name, Team Name, Sponsor  
When playing in an international tournament (including the Wheelchair Rugby World Challenge, International Wheelchair Rugby Cup, and World Championship), the name of the player’s country of representation may be shown in a contrasting colour and in letters no higher than 9cm. Alternatively, the player’s name, team name or the name of a sponsor may be shown. The name shall be centred and shown in the approximate middle and across the shoulders on the back of the playing top.

## 3.2 Competition Wheelchairs

- a) Subject to the relevant event type shown in **clauses 5 – 10**, sponsor logos or other branding may be shown on the seat and frame of competition wheelchairs. All branding must be firmly affixed to the wheelchair and not present a raised surface that may cause injury to other payers.
  
- b) Subject to the relevant event type shown in **clauses 5 – 10**, sponsor logos or other branding may be shown on the solid wheels of competition wheelchairs. All branding must be firmly affixed to the wheels and not present a raised surface that may cause injury to other payers.
