WWR Hall of Fame

Vesco Wheelchair Set Price Auction

worldwheelchair.rugby

WWR Hall of Fame

WWR is delighted to sell one rugby wheelchair sponsored by **Vesco Metal Craft Inc.** to support the WWR Hall of Fame. By submitting your binding interest as the 1st individual, you get a high-performance **Vesco Rugby Wheelchair** that the majority of elite players worldwide trust Worldwide.

The **set price is at \$6.000 USD**, which is a brilliant price and no doubt worthy for a sports wheelchair that enables you to play the most entertaining sport in the Paralympic Program. By participating in this auction, **you directly fund the WWR Hall of Fame** and allows them to **induct individuals with outstanding achievements** in the sport of Wheelchair Rugby.

The **Vesco Rugby Wheelchair** has a **value of around \$10.000 USD** and is customized to your specific measurements provided by the individual within **30 days** after WWR receive the bid. Vesco Metal Craft Inc. will build the wheelchair and have them ready for shipment to the End User no more than **90 days** after receiving a specification which meets the requirements from the End User. The wheelchair includes the following standard features and options (included in the sale price):

- Offensive **OR** Defensive Frame
- One pair (Two Wheels) of Spinergy SLX sports wheels
 - End User's choice of Vesco Offensive, Defensive, or Mid-Point spoke guards
- End User's choice of the following features:
 - Heavy Duty Frame
 - Heat Treating
 - 5/8 Frame upgrade
 - Ergo Seat
 - Flared Seat Back Tubes
 - Seat Back Height less than 10
 - Heavy Duty seat back tubes
 - Seat width – extra wide (16.5" – 20")
 - Rear Guard
 - Basher Bar Smooth
 - Heavy Duty Flat High Picker Upgrade
 - Shin Protector
 - Heavy Duty Footplate Frame with Gussets
 - Footplate Heel Holders, Pair
 - Footplate Foot Spreader Standard

WWR Hall of Fame

- Tapered Seat Bottom
- EZ Transfer-Flat side rail
- Stepped Wings 20/11 CM
- Aluminum Weld on Clothing Guards
- Bracket Mounts for ratchet straps on footplate
- Hip Ratchet Strap - 12"/16"/20"
- Foot Ratchet Strap - 12"

Upon purchase, the End User may request the following optional features which will be provided at the End User's expense. The cost of these options will not be included in the base price of the wheelchair:

- Ball Holder, Removable
- Standard Flat High Picker
- Heavy Duty Flat High Picker
- Custom Footplate
- X Brace (for frames with NO footplate)

Vesco Metal Craft Inc. will arrange shipping for the completed wheelchair to the End User and will pay the costs of shipping within the 48 contiguous US states and Canada. If the End User's location is outside of the north American Territory, the wheelchair can be delivered to WWR World Championship in Vejle, Denmark. The end-user will then be responsible for any further shipping costs or their attendance to collect the chair.

The end user can make their own arrangements for shipping directly with Vesco at their own cost. Due to the Pandemic the end user should be aware that the cost is likely to vary depending on the final destination.

Yours in Sport

Garett Hickling

Chairperson WWR Hall of Fame Committee
