## HOST SELECTION PROCESS

The 2025 WWR Championship Events will be held between June 2025 and October 2025, and will be WWR Licensed at full competition level. Athlete classification will take place at these events.

### Eligibility to Host

The WWR will accept bids from countries which are WWR members in good standing as of the date the bid is submitted.

The bid can come from a WWR member organisation (WWR Member) or from another organisation with the approval of the WWR Member. Only one bid per country will be accepted. If more than one organisation in a country wishes to submit a bid, the WWR Member for that country is responsible to select which bid will be submitted.

Bids will be accepted from members based on the eligibility table below.

Championship	Members eligible to bid
Americas	All members currently in the Americas Zone
Asia-Oceania	All Members currently in the Asia-Oceania Zone
European Division A	FRANCE GREAT BRITAIN DENMARK GERMANY SWITZERLAND NETHERLANDS

### Bid Fee

Each bid organization must submit a Bid Fee of USD2500 to WWR, no later than **30 October, 2023**. The bid fee will be used to cover the costs to WWR of the Host Selection Process. Bid fees must be received before a site evaluation visit is conducted.

### Site Evaluation

Following completion of the Host Application and submission of the Bid Fee, WWR may shortlist the bids before conducting site evaluations of the bidding cities. Bids not shortlisted will be refunded 90% of the bid fee.

One representative appointed by WWR may visit to verify the information in the Host Application and to confirm that the bid meets all Event Requirements. Costs for travel for the Site Evaluation will be paid by WWR; the bid organization is responsible for local costs including accommodation (single occupancy), local transportation, and meals.

Site evaluations will take place on an ongoing basis until November 30, 2023. WWR will contact each bid organization upon receipt of the completed Host Application to determine possible dates for the Site Evaluation. WWR may determine to perform the site evaluation virtually if appropriate

### Evaluation Priorities & Reporting

The selection committee will consider all information provided through the bid documents and site visit. A comprehensive evaluation process has been developed.
