Referee Clinic: A Key Element of Rugbymania

Kristin Hempfling, Head Referee and evaluator Katja Grotensohn.

Nine referees from five countries participated in the 3.5-hour clinic, which focused on rules knowledge and referee mechanics, providing a solid foundation for the tournament.

From Thursday afternoon to Saturday evening, 15 referees from nine countries officiated 29 games across two divisions. Experienced WWR referees mentored newer officials, offering guidance and evaluations to enhance their on-court performance.

“Everyone improved significantly from day one to day three. A huge thank you to all for their hard work on and off the court and their excellent teamwork,” said Kristin Hempfling.

Classification Clinic

There were no trainees interested in Classification Clinic.

So there was national classification held by Lenka Terzipetkova (Slovackova) and Dominika Lukesova. There were 5 players classified for national purposes.
