Call for Applications – WWR

Technical Delegate

World Wheelchair Rugby is seeking qualified applicants for the role of Technical Delegate at licensed events from 2025 to 2028

WWR is seeking applications for Technical Delegate (TD) and Assistant Technical Delegate (ATD) positions for events from 2025 – 2028 to supplement the current list of TDs on file.

All current TDs and ATDs should re-submit an updated application acknowledging your interest to continue to be in our current pool of TD's.

The primary role of the TD is to ensure that licensed Wheelchair Rugby Competitions are conducted in accordance with all rules and regulations of WWR. Prior to the event, the TD is responsible for liaison with the event Local Organizing Committee (LOC), providing advice and information on the technical requirements for the Wheelchair Rugby competition. During the event, the TD is the senior WWR representative to the LOC, and has the authority to rule on all matters related to the rules and regulations of WWR. WWR continues to work to develop and support individuals interested in filling these important positions at key events. One of our aims is to invest in people who wish to develop their skills as TD. This call for applications will be used to add to our current roster of individuals who are able to commit to the sport and work with WWR to manage and develop a world-class competition system.

WWR will initially appoint TDs for the events being hosted in 2025 and 2026. For events being hosted in 2027 and 2028 WWR will assign TDs 18 months prior to the event where possible.

For the positions of TD and ATD for the World Championship and Paralympics, a selection committee will utilise applications from experienced WWR TD's. The selection committee will review the applications, conduct interviews and make a recommendation to the WWR Board of Directors for approval.

Call for Applications – WWR

Technical Delegate

WWR may also select TDs from among the applicants for additional WWR licensed events taking place from 2025 - 2028. WWR will consult with the selected applicants to confirm interest before making these appointments.

Selection as a TD for these events will create an opportunity for individuals to develop and demonstrate their skills, so that in future they may be eligible for appointment to World Championship or Paralympic Games based on their experience.

On successful appointment each TD will receive:

1. an appointment letter outlining their responsibilities and term of appointment
2. a dedicated contact who will be an experienced TD who can mentor them in the role if needed
3. a copy of the WWR Technical Delegate resource to help support them in the role

How to apply

To apply for these positions, please provide a current CV/resume detailing your wheelchair rugby and other relevant experience, along with a cover letter describing why you believe you fulfil the requirements for the position. Applicants should also provide the name and contact details for a reference or references who can confirm their qualifying experience for the position.

Applicants may apply for more than one event with the same application; please specify, in priority, the events and positions for which you wish to be considered.

Applications should be sent to Kathy Newman, Director of Development and Competitions via email to kathy.newman@worldwheelchair.rugby.

The deadline for applications is January 31, 2025

Applications will be reviewed by a selection committee. Applicants may be contacted for a telephone interview, to take place as required.

A full job description of the role can be found on the WWR Competitions Resource Page, <https://worldwheelchair.rugby/competitions-resources/>
