Financial Management Policy

1. Preamble

- 1.1. WWR is funded through membership and individual participation fees. Additional revenue is also achieved through partnership and sponsorship funding. In line with good governance practice and transparency WWR wish to demonstrate to its stakeholders that all expenditure is appropriately authorised and controlled.

2. Annual Business Plan and Budget

- 2.1. The Secretary General is accountable to the Board of WWR for producing an annual business plan and an annual budget to support it. The plan is to set out clearly the business objectives for the coming year and show by means of the budget how resources will be committed to meet the agreed objectives.

3. Budget Holders structure

- 3.1. The budget will be allocated to meet the objectives of the annual business plan. The Secretary General is responsible for the overall budget. The Administrator Head of Department (AHD) has authority for expenditure as laid out in this policy.
- 3.2. The AHD is accountable to the Secretary General or in their absence the Board Director responsible for finance.
- 3.3. In the absence of a Secretary General, the Board may delegate full responsibility to the AHD. Delegation must have Board approval and be minuted.
- 3.4. Expenditure against budget is to be reported on quarterly by the Secretary General, who is responsible for taking appropriate action as necessary to ensure an adequate cash flow and a balanced or positive budget position at year-end.

4. Authorisations

- 4.1. Budget Holders are not permitted to delegate responsibility for their budget.

5. Invoice and expense approval.

- 5.1. The Secretary General is authorised to commit expenditure and approve invoices that are budgeted for up to and including \$7,500 USD.
- 5.2. The AHD is authorised to commit expenditure and approve invoices that are budgeted for up to and including \$5,000 USD. Proposed expenditure and invoices over this amount and up to \$7,500 USD must be referred to and approved by the Secretary General.
